Idaho Falls, ID 83402

Dear Ms. Teigen:

On May 8, 2007, a complaint investigation survey was conducted at Riverview Assisted Living Center. The survey was conducted by Debbie Sholley, LSW. This report outlines the findings of our investigation.

**Complaint # ID00001920**

**Allegation #1:** The facility is above their licensing capacity of 8 beds.

**Findings:** Based on interview and record review it could not be determined the facility was above the licensed capacity of 8 beds.

On May 7, 2007 at 1:25 p.m., the administrator stated there was currently 8 full-time residents living at the facility, and 1 adult day care resident.

Review of the facility's current resident roster revealed 8 full-time residents were living at the facility.

---

Review of the facility's adult day care log revealed the resident was not at the facility for more than 14 consecutive hours in a 24 hour period.

**Conclusion:** Unsubstantiated. Although the allegation may have occurred, it could not be validated during the complaint investigation.
